1. How do you justify taking one land from one people (Palestinians) and giving it to another (Jews)?
2. In the name of what justice do you justify the Palestinians refugees living in the desert in tents and suffering from hunger, disease, and dying away from their homeland after being the owners of the land in Palestine?
3. How do you justify the Zionist Jews coming from other countries and taking the place of the real owners (Palestinians) who have had to suffer from the hands of the Zionist terrorists and aggressors?
4. How do you justify the killing and maiming that have taken place and are still taking place in Palestine?
5. How do you justify giving and supporting the Zionist state with military aid as Zionist Jews say that they kill more innocent and peaceful people (Palestinians)?
6. How would you like someone forcing you out of your home and throwing you in the bazaar and giving it to someone else that is not the owner?
7. How would you like someone to strip you from your country and consider you as a second class citizen after you were a first class citizen? This is what happened in Palestine.

Palestine belongs to Palestinians just as America belongs to the Americans whether you like it or not. It depends on your conscience whether you believe in justice or not. As Palestinians are ready to die for our beloved country (Palestine), and the only peaceful solution for our people (Zionist Jews) should go back to their homes and the Zionist Jews should go back to their original countries where they came from. If the Zionist Jews came from paradise, let them go back to paradise and if they came from hell let them go back to hell and the Palestinian refugees should go back to their homes and lands.

I am not a communist and I hate communists. You know and it is very clear that there is no communism in the Arab world. If there is communism in the Arab world, they were forced to accept and ask for help from Russia in order to liberate Palestine from Zionism because the United States was turned against them and if there is communism in the Middle East, American politicians are to blame because they are using more heartless American people for their own glory and love. It is a shame to mention this but it is the truth. American politicians should look for America's greatness, first and they are not for themselves. It is also a shame to see American presidential candidates who are afraid to go to Arab lands to get in the Arab market.

Communism is used, new techniques in warfare which is
kill yourselves as for example what happened in fact was made
American soldiers were killed and not one American soldier's blood
was shed.

Zionism is using America and taking advantage by claiming
that America should fight communists for their sin which is the destruc-
tion not only for America but for the whole world. For example,
the killing, murdering, and robbing, and innocent barbarism and
unethical and criminalistic acts and behavior that they committed
against the innocent peace-loving Palestinians is illegal. Also,
Zionism in America is blocking the vision of good hearted Americans
so that they cannot see black from white and keepin' them away from
the truth. The disorder and violence, crime, hunger in America is
caused by Zionism through their propaganda and by sending millions
of American dollars to the Zionist state. I wonder how they can be
loyal to two countries, America and Israel? Is America their coun-
try or the Zionist state which is called Israel?

I not only love America but I am ready to die for America. I
hate to see America being used by Communism and Zionism. Communism
is destroying America on the outside, and Zionism is destroying
America on the inside.

I have asked these questions to Senator Robert Kennedy in
May 1963 but he ignored us and went on vacation. The Zionists with
jobs so that he gets more votes to get to the white house, here I
find myself asking the same questions to you again. Please do not
force us to believe in political assassination which is against our
heritage and culture unless we are pressed from you. Let it be
clearly known that I have observed and directed by Palestinian Commu-
nists to destroy every American politician who says or is of the opinion
any kind of harm to the Zionist state. we are aware of your
visit to the United States in August 1963. This will be our first
visit.

I further more beg and ask again and again please do not make
us believe in political assassination. And as I mentioned above,
I am willing to die for America as for Palestine. I hate to see
America destroyed by Zionism and Communism. We think in America
that we are above Communism and Zionism. The truth is not that, but
we are lost in between.

We thank you for giving this matter the greatest consideration
hoping that you will be against the aggressors (Zionists) for the
sake of justice and the world peace, thank you.

Sincerely yours,
Shirley B. Simon
